October 22, 2008

FOR IMMEDIATE RELEASE

Miami, Fl. October 21, 2008. Desco Industries, Inc. of Chino California has acquired the assets of Coastal Data Products. Coastal Data Products is a manufacturer and marketer of computer based automated time and attendance systems.

Information about Coastal Data Products can be found at <http://www.smartclock.com/>

Information about Desco can be found at www.descoindustries.com.

The addition of Coastal Data Products to the Desco Industries, Inc. family of companies broadens both our solutions and customer base.
